8-Feb-21

Dear Parent/Carer,

We have recently completed an audit of student enrolment paperwork and have identified that your child is enrolled at our school with their Kindergarten enrolment form.

Unfortunately, the application for enrolment process is different from Kindergarten to Primary School so we need the Application for Student Enrolment completed and returned to the school. We also need to sight your child's birth certificate if we have not already done so on Kindy enrolment.

Please complete the attached 'Application for Student Enrolment' and bring it to the school office with a copy of your child's birth certificate before the end of the year.

Please contact the primary office if you have any questions.

Yours sincerely,

Jason EVERT

Principal
